An official transcript is a record of the grades or marks you earned at the university or college you currently attend or have previously attended. A transcript certificate is an essential document for students that supplements college and university applications. Understanding how to get a transcript certificate can help you apply for higher education or study abroad programmes.

In this article, we answer the question, 'What is a transcript certificate?', review the different types, find out how to get a transcript certificate, explore the ways to send a transcript for WES evaluation, highlight advantages of these certificates, provide tips to help when requesting one and examine a template and examples letter to help you write your own. You may be wondering, 'What is a transcript certificate?'. It is a certificate that serves as a supporting document for your educational credentials, such as the list of subjects you took at your college or university, marks scored in those subjects and the duration of the courses. It also contains important information,
